An Amazing Value... for this 67 acre park like acres with two very well kept fully finished homes. first home has 6 bedrooms and 3 bath , a fully finished basement and a detached double heated garage and a heated workshop.

Second fully finished home has 4 bedrooms and 2 full baths, a heated oversize 58 ftX32ft detached garage and two oversized back decks. It also has a walk out basement. All utilities paid including city water. Lamont with its k- 12 schools, modern and active hospital and vibrant downtown core is only 6 miles to the north and it is only 1 mile east of the Elk Island National Park easterly boundary. An advantage to living close to a Park is the abundance of wildlife roaming in the vicinity. Well maintained investment property with lots of potential. Only 20 minutes to the west is the Fort Saskatchewan Heartland Industrial Corridor and only 6 miles north to a highway route to the Fort McMurray and Conklin oil activity. Edmonton is only 40 minutes to the west. A Most tempting buy....
